

Proceedings

Meeting Venue: Vice-Chancellor's Conference Hall, AAU, Jorhat

Date: 04-04-2024

Time: 10.15-11.00 A.M.

An interactive session of Honourable Vice Chancellor with Ph.d students of AAU was organised to have a minute discussion on the Institutional Development Plan, AAU. The Co-ordinator of IQAC, Dr. Bina Buragohain Gogoi apprised the students about the Institutional Development Plan, Assam Agricultural University, Jorhat.

Honourable Vice Chancellor apprised that, the students are the most important stakeholders of an Educational Institution, so the role of students in the formulation of any future vision/mission document is very important. With this in focus, students were asked to discuss and put their inputs / suggestions in terms of future perspective, that will help in strengthening and making the IDP, AAU an ideal and inclusive in all respect.

Honourable Vice Chancellor also apprised that

1. IELTS and TOEFL related courses will soon begin with the release of ICAR Development Grant.
2. The students are also advised to take up ODL classes of various Departments offered by ODL Platform of AAU to learn some relevant additional skills.
3. Students were also briefed about the programs like Earn while you Learn, blended learning system, University library services, Integration of vocational education in curriculum, 'AAU Select' brand its use in our products / e-commerce etc.
4. He added that, students may be engaged in the practical classes for making/ recording of the videos of the classes where in the students may be provided incentives depending upon the quality of their work.
5. Judicious use of facilities/services available for the students to be ensured.
6. Students were also urged to get registered in the Alumni Portal.

Students were requested to put down their vision/ views/opinions in a written format by 10th April. So that it can be incorporated in the draft IDP document.
